All Carson City Fair Buyers who are processing their purchased market animals at Wolf Pack Meats will be using a new system to request processing instructions.

Below is a brief description to guide buyers with the registration process.

- Go to naes.unr.edu/wpm/
- Navigate to the menu on the right side and click Processing Request System (under Services).
- Create an account – once that is done
- Indicate processing style by specie – options will be provided on the page/menu on the right
- If you have multiple species, you can register all of them on one request – note: pay careful attention to specie
- In the comment section under each specie request note special instructions such as : Bacon – Ham – etc.
- Please contact Danielle at Wolf Pack Meats if you have specific questions.
